

INTERNATIONAL COIR MUSEUM

Coir Board had established an International Coir Museum in the Diamond Jubilee year, by depicting the historical events and evolution of technological advancements made in Coir Sector. The International Museum was inaugurated by Shri Oommen Chandy, Hon'ble Chief Minister of Kerala on 27th May 2014 at Coir Board Complex, Kalavoor. This Museum is now opened to the public.

The International Coir Museum is established for showcasing the coir industry over the ages with the latest developments which has brought in a revolution. This museum is a beauty spot in the tourist map of Alleppey.

The museum also show cases the traditional processes and development of coir industry, including retting and fibre extraction, advent of mechanization in coir sector etc. A short video film takes the visitors through the world of coir over the ages and gives information on the origin and growth of the industry and the latest developments made through research and development. This will give sweet memories on coir industry. There is souvenir shop attached to the Museum where visitors can have the joy of SHOPPING a wide range of coir handicrafts, coir doormats, coir ornaments etc.
